

Reaching Out

Word International Ministries - Dublin, Ireland

Volume 1-Issue 2 September-November 2010

Within Your Temple, O God, we meditate on your unfailing love—Psalm 48 v 9.

Welcome to the second Issue of Reaching Out:

Recently I asked my employer for time off for Family Camp 20th –27th August. His reply was straight forward. He was not permitting any staff holidays between 19th and 28th August due to the Etchells World Yacht Championships happening in Howth and it was a busy time for the hotel. Although I tried negotiating with him my employer simply replied, “No, I need all hands on deck.”

This got me thinking on the word TEAM. TEAM ministry is vitally important in any organisation. In a Hotel from General & Duty Managers to Restaurant/Bar staff to Kitchen staff or Cleaners. If one side lets the team down, the whole team suffers. Likewise in the Etchells World Yacht Championships people are competing for their country and if one person slips up whether its cheating or on drugs, the whole team will suffer. No different at Family Camp with the Blue, Green, Red and Yellow teams competing in the Familympics.

In a team no-one person is or should be left to defend for themselves. It is up to every member of the team to look out and care for one another - the same in our Cell groups or Church as a whole. God created families for us, Mothers, Fathers, Brothers, Sisters. He did not leave us on our own. God created two of most kind of animal not one alone. Jesus had a team of twelve disciples and when they where sent out on mission, they were sent out in pairs (see Luke 10:1-2). Jesus said, “For where two or three come together in my name, there am I am with them.” (Matthew 18: 20) - How effective prayer can be when a team gathers to pray.

Are you part of a team? Are you part of this church? Are you part of Jesus disciples? The Church TEAM including the Editorial Team for this magazine and our website

[Http://www.wordinternationalireland.com](http://www.wordinternationalireland.com)

needs you. (This includes the various groups in our Church. Contact details can be obtained on the back cover).

Enjoy your read!!

A TANKFUL OF THANKS!

*"Give thanks to the LORD, for he is good.
His love endures forever." (Psalm 136:1)*

Both Psalm 118 and Psalm 136 proclaim the familiar refrain "...His love endures forever." In fact the entire Psalm 136 utilizes this phrase as an echo to every line in all 26 verses that affirm of God's Presence (v. 1-3), Power (v. 4-9), Protection (10-20) and Provision (v. 21-26).

There is something about recognizing the eternal, enduring goodness of God and our response of thanksgiving. The Psalmist invites us, in fact commands us to give thanks to the Lord for He is 'the God of gods' (v.2), 'the Lord of lords' (v. 3) and 'the God of heaven' (v.26). But most importantly, and dearest to me especially is we give thanks to the Lord '...for He is GOOD!' (v.1)

GOD is so Good! ...And we better not forget it!!!

Firstly, despite rainy forecasts, we enjoyed warm sunshine during the weekends especially during our Familympic Games. And I agree with Bro. Hugh's observation that God parted the rain clouds and gave us the wonderful sunny afternoons we needed while we had our games, for I noted that almost right after the games, that's when it started drizzling again!

God is so good!

We are grateful for the dedication and leadership of the Family Camp Committee and the entire R (Relationship) Dept. and all those who in one way or another have prayed, helped and supported the Family Camp with their generous gifts and sponsorships.

God is so good!

For all the 230 delegates who have come not only from Ireland but from our different churches in Europe. We thank God for the support of our pastors and co-leaders who have encouraged us with their presence and participation. And praise God too, for the safety of all delegates including our children and youth!
God is so good!!

For a wonderful Camp venue which became our home for about a week – the Ballykisteen Hotel, the very efficient and hospitable staff. For all their generous help and consideration and very reasonable price that enabled us to have a total savings of over a thousand Euros after all expenses! Praise God for His favor!
God is so good!!

Let's also rejoice with those who have given their lives to the Lord and received Him as Savior and for the 14 delegates who were baptized! For the families that were ministered to and lives that were transformed!
Hallelujah!! GOD is so good!!!

For the anointed speakers led by Dr. Harold & Darlene Sala, Dr. Wil and Jacquie Chevalier, Ptr. Manny de Leon and Ptr. Stefan Tiran – thank you so much for imparting not only inspiring messages from God but your lives as well (1 Thessalonians 2:8). **GOD is sooo GOOD!!!**

Indeed, there are so many blessings we can be thankful for! And even though there were problems (like malfunctioning water heaters in the houses, low lighting in the Palatine Room, slight misunderstandings and tension during the games, etc.) but they were nothing compared to the awesome blessings we have received from God! It's true that Christians are not exempted

A TANKFUL OF THANKS! Continued...

from trials and problems, but all too often we choose to allow insignificant discomforts and inconsequential deadlocks to steal our joy. These are sand traps the enemy throws in our goal of contentment, maturity and transformation.

We have such a need to be reminded of His faithfulness in the past and to meditate on His comforting presence in the present, because we are so prone to forget, worry and be fearful of our future. I believe this was the reason the Lord kept on reminding Joshua that "...As I was **WITH** Moses, so I will be **WITH** you; **I WILL NEVER leave you nor forsake you**" (Joshua 1:5b). Therefore **"...be strong and courageous. Do not be terrified; do not be discouraged, for the LORD your God will be WITH you wherever you go"** (v. 9).

These lessons are vital as we enter our own 'promised land' now that we have transferred to our new church building. Just like the Israelites, there will be 'giants' to face and battles that need to be won, but we should not allow them to defeat or discourage us. Instead, we should arm ourselves with faith and confidence on the unchanging character of God, His sure promises, and His abiding presence (Matthew 28:20; Hebrews 13:5). A tank-full of thanks is an antidote that can cure our paralysis of fear and the reserve that can help us face the 'giants' and 'storms' ahead!

BASKET OF LOVE

From WinGS

As part of our covenant to nurture our ladies, WinGS have recently launched the LOVE committee. We believe that it is important to acknowledge significant events uniquely celebrated by a woman. Inspirations and ideas have come to fulfilment and we will be ushering in new and hearty ways to celebrate being a woman. Thanks to all the ladies who took part in initializing this project and having the passion to reach women. We are looking forward to share different occasions and more activities for our ladies...simply because - We celebrate everything about women!

We'll have more treats and surprises coming soon... let's fill in those baskets!!
God Bless you all!!!

Praise God from whom all blessings flow.

The highest praise indeed belongs to God our heavenly Father for all he has done, concerning our first ever E.U. Family Camp. That was held at Ballykisteen Hotel and Golf Resort, August 20-27. A blessed time was had by one and all, with families being strengthened and transformed and lives being rebuilt. Which as you well may know was our theme for the camp, "Transforming Families.....Rebuilding Lives". Our theme scripture verse was Romans 12:1,2.

Year after year the Lord remains faithful to this church, and continues to bless and amaze us. He has also steadily been increasing the number of delegates. From our first family camp in Avoca Manor 2007 with 152 delegates, 133 in 2008, 211 in 2009, and 230 in 2010. This year was different of course in that we had fifteen delegates from Europe to boost our numbers.

We were also blessed with speakers all the way from the U.S.A., to minister to the couples, Dr. Harold and Darlene Sala of Guideline International Ministries, and Dr. Wil and Jackie Chevalier of Life Branch International Ministries. Their dynamic style of teaching had us laughing and crying, while they reinforced biblical truths concerning our relationships. The young adults had the pleasure of some excellent teaching on "Managing Myself", from WIN regional director, Pastor Manny De Leon, and last but certainly not the least, the youth were taught some challenging issues on "The Life of a Disciple" by youth pastor from the U.K., Pastor Stefan Tiran.

It has been a privilege and an honour for me to be part of the committee to oversee this event, and I

would like to thank all the other committee members for all their hard work and dedication in serving the Lord in this way. That's not to say there weren't struggles and worries and nights of little sleep. I think, I for one was looking at the what ifs, instead of realising who was in control. I praise God for touching the hearts of all those people who came along side us to help in many ways, thank you all so much, without your help it would not have been possible. Even the weather during our familympics was just amazing, did you notice, there seemed to be a split in the clouds right over us, with thick black clouds on either side, our God is so, so good!. Of course congratulations to the Yellow team for winning yet again, but congratulations to all the teams, for making the familympics a time of fun and fellowship, with many, many laughs and happy memories.

Praise God for his provision of workers, of finances, and of good weather, Praise God for safe travel for all the delegates and speakers. Praise God for safety during the camp for all. Praise God for the fourteen candidates who in obedience to the Lord were baptised by full submersion. Praise God for the people who gave their lives to the Lord for the first time. Praise God for our wonderful speakers. Praise God for the hearts that were touched and the lives that were changed. Praise God for the fun and fellowship had by all. Praise God for the overall success of our first E.U. Family Camp, may this be the first of many such camps. In the mean time we will look forward to next year's family camp with excitement and anticipation. Please keep the new committee in your prayers and do all you can to aide and assist them in every way possible.

Once again I would like to thank all of you for all that you have done, God bless you all real good.

WIN Ireland 4th Family Camp -A Time of Refreshing, Renewal and Rejoicing

By Sis. Ching Lansang [WIN-Netherlands]

We want to thank you, Pastor Vic & Sis. Melissa, for inviting us to the 4th WIN-Ireland Family Camp and for taking good care of us before and after the camp! The time at the camp refreshed us spiritually, renewed us emotionally and we enjoyed so much the company of our brothers and sisters during the family games ("Familympics"). We will always treasure in our hearts the warm welcome, generosity, and hospitality of our WIN-Ireland brethren.

From the moment we were met at the Dublin airport by Bro. Ramil & Sis. Joy, we experienced the warm welcome of our WIN-Ireland brethren as we were taken to the Clarion Hotel where Bro. Tom was night manager, and to the bus ride with Bro. Julius which took us to the BallyKisteen Hotel & Golf Resort the following day. What we heard about the WIN-Ireland Family Camp met our expectations and even more. As part of the EU delegation, we were booked together with our host family, Rey-ann & Ren-Ren de la Cruz with their baby boy, Brendan, and with Nanay Antonio in one of the comfortable and beautiful lodges at the resort. We were well-fed with the delicious dishes of Nanay and we can only say "compliments to the chef", and of course, we will miss Brendan Boy, who melted our hearts with his cute smiles & cooing vocal exercises. That was our bonus, we felt like having our own apo for the time being. As for the other EU pastors, their bonus was playing golf-- a welcome and delightful break from their busy schedule. The Family Camp was blessed with the refreshing presence of the Lord as we spent time in worship and sessions with Dr. Harold & Darlene Sala and Dr. Will & Jacqueline Chevalier, the camp teachers and counselors

for Couples, the Young Adults taught by Pastor Manny de Leon, and the Youth led by Pastor Stefan Tiran, and the children with their very own varied program prepared by the Children's Ministry and the hotel staff. A total of 225 delegates came-- adults, youth and children, who were all given good care by the Family Camp Committee. The well organized Family Camp led by Bro. Hugh & Sis. Deann Carlton with Bro. Ian & Sis. Bing Ramirez and the Committee made sure that we were all aware and updated with all that was happening in the Camp. I took time out to attend one of the scheduled water baptisms, and there were tears in my eyes when I saw the young and the old professing their desire to follow Jesus as they went into the pool to be baptized. To the Family Camp Committee, we give our congratulations for a job well done!

The teachings given by Dr. Sala & Darlene and by Dr. Will and Jacquie covered areas that are much needed by couples in coping with what is going on in our broken world. What stood out for me is the area of how we as a couple can make our marriage work through the proper use of the right building materials such as the setting up of **FOUR STRONG WALLS** to surround our home- the wall of **LOVE**, the wall of **RESPECT**, the wall of **COMMUNICATION** and the wall of **FORGIVENESS** as shared by Dr. Will Chevalier. He reminded us about our right relationship with **JESUS as the strong FOUNDATION** upon which our marriage should stand and to look to the **GRACE of GOD** as the **ROOF** that will cover our marriage and family in every kind of situation we will ever face in life.

I noted down with much interest the topic "**Embracing our Differences,**" taught by Jacquie Chevalier, and knew in my heart that this will be of big help to me and Bro. Bani as we improve and adjust to each other's differences. This will renew the way we look at each other and how we relate to other people.

WIN Ireland 4th Family Camp -A Time of Refreshing, Renewal and Rejoicing continued...

By Sis. Ching Lansang [WIN-Netherlands]

The Family Games were fun, fun, fun all the way. We learned a very good lesson when someone wisely said "Manalo, Matalo, Kristiano," and I say amen to that. The cheering, the banners, the games, the general and Bible knowledge question and answer portion brought out the creativity, the competitiveness and the desire to win for our own teams; and at the end, we can rejoice with the Yellow team which won.

Our visit to Ireland was a time of refreshing, renewing, rejoicing and reconnecting, too. Together with the campers, we visited the Killarney National Park, the Cahir Castle, and the University of Limerick while Sis. Pat and Sis. Jojo brought us around and reconnected us to the historic past and present of the city of Dublin. Pastor Vic, Bro. Bani and I also discovered the treasure that Trinity College has kept inside their Library, the **Book of Kells**, the lavishly decorated copy in Latin of the Four Gospels written in the 9th century which has been preserved for people to see. To all WIN brethren, we say -- come and join the next Family Camp in Ireland. It is an event your family should not miss! To God be the glory, great things He has done in our midst.

"The most blessed experienced for me, my wife and son is the opportunity to live and share life together with the family that hosted us. It was brief but rich moment. It allowed us to be just us we are, ourselves, share life experiences, laugh, talk and eat together with a family that we would not have a chance to know in any other occasion. How good it would be if we as church would really relish life by appreciating and enjoying one another's presence and consider such acquaintances as gift from God. This after all is the meaning of life, the fruit of the family day!"

SEASIDE ROCK

DVBS July 2010

There were heavy rain showers the night before Saturday's activities for the Seaside rock held at Killiney Beach, South Co. Dublin. SMS and calls flooded my phone asking if the scheduled activity will still push through. Firmed on my faith, I relayed that there will be no cancellation and requested everybody to say a prayer to bless the children's activity. Day came, the sun started to shine! It was about 8:00am when we traveled by train to the venue. I can see the smiles on the faces of the kids that filled my heart as I know our prayers were answered. But at around 9:30am, when almost all of the participants were there; tents were set up already- it rained again. It was really heartbreaking to see the children – in their sad faces in that very cold morning. More participants and parents arrived, still the rain hasn't stopped. As I was busy answering some phone calls asking for the location from those who are still expected to come and fixing some materials needed for the day, I was really praying hard to God to bless us with good weather, for the kids to have a lovely day, enjoying the fun-filled activities and surprises. I am sure many joined me in my prayer- silently asking God for a clear blue sky....

God is so good! After half an hour, sun came out and shined again! We were able to do all the activities as planned. Children enjoyed all the fun, games and surprises in store, basked in the sun! Parents enjoyed fellowship amongst other guests, and the youth –helpful as they are- had fun too! Everybody was safe; given that it is the first time we held an activity outside the church– on the seaside! Indeed, it was a very blessed day! – I am in awe of how God moves in marvellous ways! Clear as the blue sky, assured of His miraculous protection and grace, God never failed to show that He loves us.

Recalling in that instance, the same thing happened during 2009 Family camp held at Mt. Wolseley. Saturday morning was welcomed with heavy rain showers– the day for our scheduled Familympics. It was cloudy, dark and stormy in the morning of that day; you would be assuming that it's going to rain the whole day. Campers were starting to feel disappointed and we got a bit anxious about the situation as there was no other covered venue available as another option for the activity. But again, God proved to be our God of miracles! Just at the time when we are supposed to start the games, the sun came out and shined on us! Praise God who answers every prayer! Same thing happened, just after we were finished with the lined up games and activities, there were showers again. It was like as if God allowed us to do the activities on that set time. Though it rained again, we headed home with a very thankful heart!

Apart from this very remarkable event, it is important to note that it was a week full of activities for our children. There were bible teachings, arts and crafts, games and a lot more! We have over a hundred children participants from our church and invited guests. Praise God we are increasing in number! We are looking forward for more kids next year who could join us and share this enjoyable learning experience!

SEASIDE ROCK - DVBS July 2010 Continued..

More than the prizes, more than the gifts, it is what our children learned in those four days of vacation bible school which made it even more memorable. It is learning how Peter took up the challenge to follow Jesus. Young as they are, innocent as they are, it is important to encourage them and install in them the goodness of God and His unconditional love for all of us.

On behalf of the Children's Ministry, I would like to extend my deepest thanks to all those who helped and made this year's DVBS a success! May God return the favour to you as you continue to live a life serving Him.

Till next DVBS!

Build the brick-e-ty brick...then go Knock-e-ty knock and Dance on solid ground.. At the seaside rock!!

God Bless you all!

" IT IS FINISHED"

It may sound like it is an Easter message, but Easter or not, to recall and ponder what JESUS had done for you and me, would always call for a celebration..

When JESUS said "**it is finished**" our past, present and future sins are fully paid for , by Him. There is **nothing we can do** to gain our seat in heaven, **JESUS** had done that already.

"For God so loved the world that He gave His Only Son, that whosoever believeth in Him, should not perish but have eternal life" –JOHN 3:16

As we fellowship together this MISSIONS' LUNCH 3rd October, may we remember God's goodness , faithfulness and love to us. And as God's adopted children, may we put in our minds that **God's love story** deserved to be told. May we open our hands and hearts to fulfill this.

Truly, it is such a big privilege to work hand in hand with the LORD.

Celebrating Our journey-9 Years

The Church Anniversary is a time for considering the goodness of God's grace and mercy for providing and protecting us for 9 years.

On Sunday October 10th 2010, Word International Ministries Ireland, will celebrate its 9th anniversary in a new location. We are very pleased to receive the Lord's blessing and an answer to prayer! We have found a new church building to hold our services, our new church home is located in G5 Chapelizod Dublin 20. We are really excited about what God is doing among us. We are truly blessed and feel privileged to belong in a congregation that is "Alive and Well" and especially in these recessionary times and we feel there's a hunger for the reality of God's presence in our lives.

This year's theme is entitled, "Changed...Renewed" . (Therefore we do not lose heart, Though outwardly we are wasting away, yet inwardly we are being renewed day by day - 2 Corinthians 4:16) The speaker's are Rev. Manny and Sis. Lilly De Leon from Germany. Worship service begins at 9:30 am. After the service a special lunch meal will be served, and short programs are being planned for the afternoon. Every ministry will give their part in celebration of the anniversary.

We consider this is a tremendous milestone in the ministry and one that we can look back in thankfulness and appreciation. We thank God who has led us over the years and we know he will be with us all the way in the coming years and help us continue being faithful to his call in service.

All praises to God because he is worthy to be praised!

We meet on Wednesday night at 7:30 pm in various places – most times hosted in the homes of the different families, sometimes in Phoenix Park, sometimes we don't meet at all – well not really, we schedule a time off and then decide to meet somewhere anyway and spend time talking, playing, eating - we call these times bonding together. Our favourite activity? – BBQ! never mind the weather - rain or shine, hail or snow - BBQ!

It is at these moments that we get to know each other better as we share our life experiences; rejoicing together and sharing the burdens of this life. We value our close relationship with each other where we become one family committed and responsible to one another, praying for each other and bound by the love we have for our Lord Jesus Christ.

Our CG was born from the Coombe CG; we are now in our 4th year of running the race together. Most of us are active members and committed to various ministries in the church including the Youth. Although Bro Benny is the CG leader, we all have a turn to facilitate Bible study time including the young people. We are on the last part of our current lesson on Pathways to Discipleship 101 based on the Sermon on the Mount. We have finished the New Life Series, The Bondage Breaker, and various subjects in between. We have agreed together, to value each other's opinions and we encourage participation even by the children in our discussions, to feel free to ask questions, and try to answer mysterious questions from Tita Pat.

We all have our favourite verses and in Kilmainham Care Group we remind each other of the following verses:

Philippians 4:8

Finally, brothers, whatever is true, whatever is noble, whatever is right, whatever is pure, whatever is lovely, whatever is admirable—if anything is excellent or praiseworthy—think about such things.

Philippians 2:1-4

V3 Do nothing out of selfish ambition or vain conceit, but in humility consider others better than yourselves.
