STAND FIRM Let nothing move you. Always **GIVE** yourselves **FULLY** to the work of the Lord, because you know that your labor in the **LORD** is **NOT IN VAIN**.

-1 Corinthians 15 : 58

Welcome to the third issue of Reaching Out:

STAND FIRM Let nothing move you. Always GIVE yourselves FULLY to the work of the Lord, because you know that your labour in the LORD is NOT IN VAIN. - 1 Corinthians 15: 58.

I woke up recently in the early hours of the morning probably like many to the sounds of thunder and lightening. As I looked from the bedroom window I also watched the ground been covered with snow. How awesome!! This brought back memories on how this year 2010 began - Icy roads and snow. Brian Cowan and the Fianna Fail party faced criticism for the shortage of grit to cover our roads. As 2010 draws to a close the current government are facing criticism for the handling of the economic climate we are experiencing. Many angry people across the country have asked Brian Cowan to step down but I have to admire him for at least one thing, he has stood firm. For example he is still going ahead with the budget amongst other things despite all that is going on.

Our church faced uncertain issues as 2010 began especially as we decided what building we were going to move to. By April we were definitely going no where but because we stood firm and put our trust in God , he led us to Chapelizod by September where we presently worship him to this very day. Pastor Vic, Melissa and family were prepared to move to the USA by the beginning of September but things did not work out for them, but because they stood firm and put their trust in God, they are now moving on the 6th January. Ever since I have known the Lopez family I have always admired them for their firmness as Christian people.

May I take this opportunity in wishing the Lopez family many happy blessings for the future and we thank you for all you have contributed to the church here in Ireland .We look forward to new ways of ministering with you in the future. I encourage our church in Chapelizod to stand firm and to use the gifts we have been equipped to serve with as we wait for the arrival of our new Pastor.

The Editorial team launched a website early this year

and Reaching Out appeared for the first time. We would welcome your contribution to the team in order for these sources to remain firm.

And finally on behalf of the Editorial team I take this opportunity in wishing all our readers a very Happy Christmas and Peaceful New Year 2011.

Enjoy your read!!

GOD BLESS YOU, WIN - IRELAND

" I thank my God every time I remember you. ⁴ In all my prayers for all of you, I always pray with joy ⁵ because of your partnership in the gospel from the first day until now, ⁶ being confident of this, that he who began a good work in you will

carry it on to completion until the day of Christ Jesus."
(Philippians 1:3-6)

All praises and glory belong to God who has richly blessed our past seven years of ministry here in Ireland! As our family is getting ready for our eventual transfer to our new ministry assignment in WIN-Silicon Valley, God has led me to reflect on some passages in the book of Philippians.

OUR AFFECTION: They call it bittersweet. Every time we have to move, there is a mixed feeling of excitement in what God is going to accomplish in the days ahead... But there is also a feeling of sadness in having to leave our church family and friends who have become so dear to us. That's because you welcomed and received us not just as your pastors, but as part of your family – a friend, a 'kumpare' or 'kumare', even a 'Lolo Vic' and 'Mama Mel'. You encouraged our children and rejoiced in their accomplishments and cared for them as your own. Our lives are forever changed by the experiences we have shared, the times of sweet fellowship and especially the spiritual growth we have seen in you over the years.

OUR CONFIDENCE: Each memory is precious and they will remain in our hearts. Like Paul who was in a Roman prison, separated from the Philippian church whom he misses (1:7-8), we will treasure the blessing of having known and labored with you in building the Kingdom of God in Ireland (1:5). And our prayer and recollection of you will continually be one of joy (1:3-4) and hope, because **our Lord Jesus Christ is FAITHFUL** in keeping you safe and blameless until He returns (1:6; Jude 24-25).

Continued on the next page...

GOD BLESS YOU, WIN-IRELAND CONTINUED...

OUR PRAYER: As verses 9-11 says, may "...your love abound more and more in knowledge and depth of insight,¹⁰ so that you may be able to discern what is best and may be pure and blameless for the day of Christ,¹¹ filled with the fruit of righteousness that comes through Jesus Christ—to the glory and praise of God." It is our fervent prayer that EACH of you - adult, youth and children to **PURSUE CHRIST** – to have a deepening walk with God leading to a consecrated life and service, always remembering that our true citizenship is in Heaven and that we should live for His glory (1:27; 3:10-20).

OUR APOLOGIES: If for some reason, we may have hurt or disappointed any of you, please do forgive us and pray for us. Thank you too for being real friends to us – to those who speak directly to our hearts and still love and respect us. God has taught us many valuable lessons through you and that in spite of ourselves (our weaknesses, inconsistencies, failures and my long preaching) God still allowed this church to grow. For that we are humbled because it only proves that God is the Builder and Sustainer of this church (1 Corinthians 3:5-9). It is therefore fitting for all of us to remain humble (2:1-4) and rejoice in the privilege of serving Him (2:12-16; Psalm 100:2).

OUR REQUEST: That you would maintain unity and harmony – practice caring, respect and valuing one another in your uniqueness and diversity of gifts and ministries (4:1-3; John 13:34-35). Support Pastor Manny and Sis. Lilly as your incoming pastors. Always remember that they too are imperfect human beings chosen to be servants of God (1:1). They would need your understanding, appreciation, friendship and support (Galatians 6:6; Hebrews 13:7; 17). I believe that God is allowing all of these circumstances to bring WIN-Ireland to another level of maturity and ministry, so let us rejoice, because His good purposes will definitely be accomplished (Jeremiah 29:11-13; Romans 8:28)!! May you continue to be a blessing not only here in Ireland but

throughout the WIN-EU Region and beyond. I know that times are hard and the economic forecast may not be very promising but I encourage you to remain joyful, prayerful and generous in every way (4:4-7; 2 Corinthians 8:7).

OUR PARTNERSHIP: Please don't forget to pray for us! Consider us an extension of the ministry of WIN-Ireland (4:14-20). As your missionary pastors, we are committed to extend help to you if you need our counsel and prayers. My family and I will keep praying for you too (1:4-5), that you would remain faithful and put into practice whatever you have received from the Lord these past seven years (4:8-9; Colossians 1:28-29). Indeed, there will be no greater joy in our hearts than to hear that you are walking in the truth (3 John 2-4).

OUR ANTICIPATION: Praise God for Facebook, Skype and YM! These wonderful resources and technology can minimize loneliness and keep us connected. We look forward to "seeing" you and what God will be doing in your midst through our WIN-Ireland website (Thanks to Bro. Ian!) and Facebook updates. And if you happen to travel to California, please don't hesitate to call or visit us. Lord willing, we can have the pleasure of a reunion soon (4:21-23)! In the meantime, may God continue to bless and keep you and all that you do (Numbers 6:24-26; Hebrews 13:20-21)!

GOD IS SOVEREIGN!

"GOD IS GOOD! ALL THE TIME!"

GOD BLESS YOU, WIN-IRELAND!!!

Pastor Vic

A Tribute To A Pastor

It is truly a great privilege and an honour to be asked to write a tribute to our dear pastor, Rev. Victor Mario Lopez and his family. What can I say to give a just and fitting remark to seven years of service to this church?

While I was pondering, I received this reminder:

A tribute to a pastor is not about the pastor, however good he is.

- ***It is about showing esteem and respect for the office, the authority given him by God, and thanking God first, and then the pastor, for being faithful in following God's call.***

We have seen all that in Pastor Vic and more...

- ***A tribute to a pastor should really be a tribute to God for the work He has accomplished in the pastor, and the privileged, sacred work God has given the pastor to do, of assisting God in His greatest work, the salvation of souls.***

On any given Sunday anyone can see the fruit of his labour... the people that continue to commit their life to the LORD and to the various ministries set up to serve the flock of His pasture.

- ***A tribute to a pastor should be one of encouragement and inspiration to him, and especially prayer. A prayer of thanks to God. Prayer asking that will God continue to bless him and his flock and his work, especially that he remains faithful to his calling.***

"Every time I think of you, I give thanks to my God. I always pray for you, and I make my requests with a heart full of joy because you have been my partners in spreading the Good News about Christ from the time you first heard it until now.

"It is right that I should feel as I do about all of you, for you have a very special place in my heart. We have shared together the blessings of God ... defending the truth and telling others the Good News." (New Living Translation) Philippians 1:3-5, 7-11

But who gives him encouragement and inspiration and prayers?

That, my brothers and sisters, is your sacred duty. Pray for him often, daily, and even more often.

- ***A tribute to a pastor is not only for the pastor, but for the edification and unity and building up and encouragement and inspiration and blessing of the whole church.***

This is, after all, the work of the pastor - to guide, to encourage, to show and lead by example, his flock on the path to heaven. Pastor Vic has done that, and it is his legacy to each one of us.

- ***And most of all, to honour and glorify God.***

From every relationship that has been reconciled and made stronger, from every changed heart, from every mind renewed, from every faith encouraged, hope lifted – a tribute to Pastor Vic is one of praise to God.

To Pastor Vic and family –

"Let the elders that rule well be counted worthy of double honour, especially they who labour in the word and doctrine".1 Timothy 5:17

On behalf of everyone here in WIN-Ireland, we would like to express our sincere gratitude for every day that you have spent with us from the very first day you arrived. We will truly miss you and Sis Melissa and JD and Joshua when you finally take up the new ministry that God is giving you.

The *LORD himself* goes before you and will be with you... Deuteronomy 31:8

Anniversary Committee 2010

Workers Appreciation day

The annual Workers Appreciation day took place during our service on Sunday 17th October. Church members were recognised for their gifts of serving God. In particular we congratulate the Ramirez family for the receiver of the Doulos award.

Truly, a Night to Remember

Do we still remember the night that inspired us to live, love and bless each other as God originally designed us as couples?

Remember the photo shoots and the dancing that we all enjoyed.

Last 15 October 2010, we enjoyed an evening of fun and laughter with other couples and more significantly with new found friends, in the Couples' Night event.

Through the years, our lives as a couple underwent changes as well as testing, but thanks be to God's abounding grace, attending to such kinds of events enabled us to take on a form ready to face the challenges and demands of present-day fellowshiping.

Here, we recommitted ourselves in the continuous learning regarding things about God's role in our marriage and the importance of reaching out to other couples.

It was indeed a night of Fun, Faith and Fellowship that gave us a renewed sense of direction, a greater understanding of our role as a partner, and a wonderful experience that we will be talking about for weeks or over.

Truly, a Night to Remember continued..

We, the Couples' Night Committee 2010 together with the Anniversary Committee, would like to thank all those who shared their time and God-given talents to make this event a big success. Truly, A Night To Remember.

We then encourage everyone to support the next year's committee. See you all in the 2011 Couples' Night Event.

CELEBRATING THE GREATEST STORY EVER TOLD

Matthew 1:23

"Behold, the virgin shall conceive and bear a son, and they shall call his name Immanuel" (which means, God with us)

We will be celebrating our annual Christmas fellowship party after the Sunday service on December 19, 2010 at our new Church premises in Chapelizod.

Each cell group will be asked to present a special number may it be dance, drama or anything that glorifies the celebration of the birth of our Lord Jesus Christ!

We also kindly ask all to help in food and drinks contribution.

This is the first time in our Church history that a bible study cell group was nominated to organise such an important event: Lucan cell was chosen to lead the celebration.

We are looking forward to your participation.

Let us not forget the true essence of Christmas... It's about giving, unity and love.

God Bless you all!

-LUCAN CELL GROUP-

CELEBRATING THE REASON OF THE SEASON

By the Carletons

As you walk through Henry Street, you will see the Christmas decors that grace the road. Some people are frantically (or maybe not) shopping gifts for their love ones. Yuletide advertisements are everywhere. Christmas parties, puddings, hams, turkeys and Santa Clause for the little ones. Christmas is commercialized ,sad to say. Now, you would wonder, have the world forgotten the true meaning of Christmas?

Two thousand years ago, a baby was born in Bethlehem. It seemed to be an ordinary night except that, that night was the night our Saviour Jesus Christ was born.

Imagine, the King of kings who left heaven and all of His comforts and glory, to live with us! He , who was there with the Father, when He created the world came, to dwell with us... He, who humbled and gave Himself to redeem the human race from eternal destruction , came to visit us ! Oh truly, what is a man that YOU are mindful of him?.. (Heb 2:6..)

Christmas , is the story of God's great love for us. How He has given sacrificially His Only Son Jesus Christ , for the redemption of sin of all mankind. How He opened the door of heaven and shut the gates of hell , for all of those who believed and will believe.

Christmas , it is more than partying ,more than being with family and friends, more than having trendy computers and gadgets.

This Yuletide Season, we as believers , may we celebrate God's goodness and love towards us. May we prayerfully remember the true reason for this Season . May we spread the Good News of salvation through the shed blood of Jesus. His story , is well deserved to be told..

For God so loved the world that he gave his only son, that whoever believes in him should not perish but have eternal life. - John 3:16

WORD INTERNATIONAL MINISTRIES – IRELAND CHILDREN'S MINISTRY

The Children's Ministry of WIN-Ireland started on 2003 with only 6 lovely children and 2 committed workers. Through the years God has been faithful in bringing families together in Ireland - the reason why children has been added drastically to the church. Not to mention, babies being born to families each year. On October 2006, we were privileged to be visited by our dear pastor and friend, Ptr. Butch and Sis. Manju Yu of WIN-Singapore. They were our guest speakers for our 5th Church Anniversary and the Children's Ministry Workers' Seminar. Needless to say, it was the turning point that paved the way for the restructuring of the Children's Ministry in WIN-Ireland. To God be the glory for the wisdom imparted to us through their teachings on "DEVELOPING A CHILDREN'S MINISTRY THAT IS INTENTIONAL IN INTRODUCING CHILDREN TO CHRIST". The WinK Manual has also been instrumental in guiding us where we should go as a ministry.

After much prayers, consultations and meetings with the parents and teachers, we had formally launched our WinK-based Children's Ministry on February 2007 with the vision focused on the GREAT COMMISSION - "Go and Make disciples of all nation, Baptizing them in the Name of the Father and of the Son, and of the Holy Spirit, and Teaching them to Obey everything I have commanded you. And surely, I am with you always, to the ends of the age" (Matthew 28:19). We also agreed on our Theme Verse found on Matthew 29:14, where Jesus said, "Let the little children come to me, and do not hinder them, for the kingdom of Heaven belongs to such as these."

Our partnership with the parents has been exceptionally effective and helpful in carrying out our goals and objectives to let the children EXCEL:

- E - Experience God
- X - eXpress their love for God
- C - Commit to serve God
- E - Evangelize for God
- L - Live for the glory of God

We can't thank God enough for opening the hearts and minds of the church leaders, parents, teaching staff and workers for their wholehearted support to the children's ministry. Through our concerted effort, we were able to come up with Rules and Guidelines to help us easily implement our goals and objectives. One of our activities which had brought a life-changing impact and awareness to the children was our 1st DVBS (Daily Vacation Bible School) which was conducted last July 2008. It was entitled "WASTE WATCHERS". The theme was "Transformation and the Environment". It was a 3-day activity wherein we had loads of games, arts and crafts, Bible time and of course, food. The highlight of the week was our out-door application of how to keep the environment tidy: picking up of trash. The Earlsfort Park residents were very glad to see children scattered around the vicinity, in groups, and picking up litter and other recyclable materials. Some residents were greatly encouraged by these gestures, hence, causing parents to let their children join. After the said activity, we had a scrumptious lunch then conducted several games at the park, also joined by some residents. We believe this activity had created a significant impact not only to our children, but also to the teachers and residents as well. Parents reported later on that their children even remind them to separate recyclables from their garbage and also pick up litter when they find it. Because of the huge success of this activity, we decided to do a Part Two last 2009.

Continued on the next page....

WORD INTERNATIONAL MINISTRIES – IRELAND CHILDREN'S MINISTRY CONTINUED...

This year, our 3rd DVBS activity entitled "SEASIDE ROCK" was equally successful. The total number of attendees surprisingly doubled from last year's. The children had so much fun with their indoor activities. Our Killiney beach day-out had been a memorable event to our dear children and parents, as well. We look forward to a more exciting DVBS next year.

As part of our upgrading program, on May of 2009, a total of 8 children from the Middlers have been elevated to the Junior Youth and a few Toddlers and Primaries were upgraded to the next level to be disciplined and nurtured together with other children of the same age group.

By God's grace, we are presently ministering to almost 42 children in 3 different age levels: Toddlers (ages 2-4); Primaries (ages 5-8) and Middlers (ages 9-11). Also, a total of 15 (men and women) teachers and workers have faithfully committed themselves to nurture these children. We have already incorporated the Youth to help assist the teachers in maintaining a peaceful and orderly atmosphere in the classrooms. Three Mentors are also parenting these children in the 3 levels namely: Bro. Lito Garrido, Bro. Julius Abalos and Sis. Rebecca Lamb.

On the 5th of December, a Batch 2 of graduates from the Middlers Class will be honoured. They will receive their certificates and be prayed for by the congregation. Congratulations to Jericho Clyde Daan, Joshua Ruiz Escano, Joshua David Lopez, Clarence Malillin and Noel Nicolas. They will be officially upgraded to Junior Youth.

To enhance our discipleship program to the children, we were able to acquire several relevant materials from David C. Cook for our curriculum this year. These will enable the children to have a more in-depth study and understanding of the Bible. It has also a variety of balanced activities for various age groups.

The Children's Ministry, with its desire to achieve its goals and objectives of letting the children EXCEL, are eager to widen our pool of teachers and assistants to effectively guide our precious children in their regular Sunday classes. We pray for more parents and youth to partner with us in this endeavour.

Finally, I want to thank our supportive church leadership, committed teachers, helpful parents, the vibrant youth, our beloved children, and all our cherished volunteers who have been used by God to make this ministry what it is now.
TO GOD BE ALL THE GLORY FOR WHAT HE HAS DONE IN THE WIN-IRELAND CHILDREN'S MINISTRY!!
