Word International Ministries - Dublin, Ireland  
Issue 1 June - September 2010

All Scripture is God breathed and is useful for teaching, rebuking, correcting and training in righteousness, so that the man of God may be thoroughly equipped for every good work - 2 Timothy 3 v 16 & 17

## **Welcome to the first Issue of Reaching Out:**

The photo on the front cover of this issue of Reaching Out is of Bro. Jonathan cutting Bro. Tom's hair at the family fun day on the May Bank Holiday Monday at Newbridge Demense, Donabate. As you can see from the photo Jonathan is more than happy to serve in this capacity but I am sure he would find it very difficult to cut hair without a scissors and any equipment for the task, just like a chef would find it difficult to work without any knives or a motor mechanic without any tools.

We as a church would probably find it difficult to sing without anyone leading the music equipped with musical instruments and our Pastor would probably find it difficult to preach without the Bible, in fact we all would find it difficult to do anything without Jesus and that is why I quote 2 Timothy 3 :16 & 17 the chosen verses for our 8th Anniversary last October 2009: All Scripture is God breathed and is useful for teaching, rebuking, correcting and training in righteousness, so that the man of God may be thoroughly equipped for every good work.

I would almost definitely find it difficult to publish this new magazine for Word International Ministries Ireland without a computer and some of our modern day technologies. But more importantly this quarterly magazine will not be possible without you the reader and your contribution in anyway whether it is an article of any kind or comments.

You may be interested to know if you are not aware already that we officially launched a website recently

**[Http://www.wordinternationalireland.com](http://www.wordinternationalireland.com)**

So please visit us on the web where your contribution and comments would also be welcome.

Reaching Out aims to reach out to those attending Word International Ministries Ireland and family & friends, work colleagues of our church members, those who are not attending church for whatever reason. Basically this magazine will be used as an outreach tool.

Enjoy your read!!

## **TOWARDS GOOD HEALTH**

The Human Body is an amazing gift from God (Psalm 139:13-14). God has designed it to withstand constant pain, fractures and adhesions, and innumerable periods of stresses. Indeed, the human body, though delicate is also the most resilient on earth.

The believer's body is also the Temple of the Holy Spirit (1 Corinthians 6: 19-20). As such, we are admonished to refrain from immorality and everything abusive (1 Corinthians 3:16-17; 6:12-20).

And because God has created our bodies for His divine purposes and inhabits them through the Holy Spirit, we need to seriously consider how to take care of our bodies (Ephesians 5:29).

**"HEALTH IS WEALTH"**, most people would say. But all too often, we don't pay much attention about proper nutrition or maintaining good health unless we start to lose it. Most of us would rather postpone visiting the dentist or doctor until we start feeling something is wrong. And how many of us have resolved to get back to that treadmill, do more exercise, quit that bad habit or just have enough sleep??

1 Timothy 4:7-8 says, <sup>7</sup>"Have nothing to do with godless myths and old wives' tales; rather, train yourself to be godly. <sup>8</sup>**For physical training is of some value, but godliness has value for all things,** holding promise for both the present life and the life to come."

## TOWARDS GOOD HEALTH Continued

Now, we can go from one extreme to the other extreme. Some may focus only on the physical – enrolling in countless gym programs and dieting, but hardly giving time to develop spiritual disciplines. On the other hand, some can be so naïve that just because we're deep in our spiritual walk with the Lord, even though we neglect sensible health practices, we will be spared from being sick!

The key, I believe is balance and obedience to God's Word. Proverbs 3:1-2 says, "<sup>1</sup> My son, do not forget my teaching, but keep my commands in your heart, <sup>2</sup> **for they will prolong your life many years and bring you prosperity.**" Then verse 7-8 adds, "<sup>7</sup> Do not be wise in your own eyes; fear the LORD and shun evil. <sup>8</sup> **This will bring health to your body and nourishment to your bones.**" It should not surprise us that obedience to God's commandments and other laws would promote good health.\* When we obey them, we operate in accordance with the Great Physician's instructions found in His manual - the Bible. As our Creator, He knows what's best for us!

It saddens me when Christians disregard God's dietary guidelines and warnings (Leviticus 11)\*\* – eating not only what can potentially harm them (and in great quantities, I may add) and just say a prayer to the Lord to "cleanse the food from all impurities". I believe that God has given us His wisdom to choose wisely, and that includes what and how much we eat (Ephesians 5:29; Galatians 5:22).

We would probably all agree that leaving a lasting legacy is one of our desires or even top priority. Whether it's for our own children or the Children and Youth in our

## TOWARDS GOOD HEALTH Continued

churches, we would do well to invest and ensure the welfare of the next generation. Of course, there is no greater legacy than to pass on our faith and spiritual values to our children - like how Eunice and Lois impacted the life of young Timothy (CF. 2 Timothy 1:5; Deuteronomy 6:4-9). But to do any of that, we would need to be alive and healthy!

As an old classic song goes: "Only One life, so soon it will pass, Only what's done for Christ will last..."

**Indeed, we only have One Life!** And we don't have to contribute to make it end so fast! So, let's stay healthy - both physically and spiritually for God's glory (3 John 2; 1 Corinthians 10:31)!

*"Dear friend, I pray that you may enjoy good health and that all may go well with you, even as your soul is getting along well." (3 John 2)*

*Pastor Vic*

\* When the Bible says that those who follow God will generally be healthy, it doesn't necessarily mean that those who don't follow God will always be sick. Nor does it mean that God's people will be absolutely free of disease. 3 John 2 says: "I pray that you may enjoy good health and that all may go well with you, even as your soul is getting along well." Obviously, God is more interested in our spiritual health than our physical well-being, but He does want us to be physically healthy as well (1 Timothy 4:7-8).

\*\* Although the dietary laws written in Leviticus 11 are primarily for the Jews and were given to distinguish their diet from their pagan neighbours, we can glean many helpful guidelines and principles that can aid us in avoiding unhealthy food.

The idea of a Ladies' Ministry in WIN-Ireland has been brewing for several years.

It was only during the 7th EMEM WIN Conference in April 2009 where the Ladies Ministry Leaders and representatives came together as directed by our International Board to discuss the following:

- 1. Where are we ( ministry ) at the moment**
- 2. What are we doing in the ministry / Issues or concerns faced in the Ministry**

Each one presented a profile of the Ladies Ministry in their local church and shared the challenges they are having and came up with resolutions to be shared to the Ladies in their own churches:

The vision of the Women's Ministry is to be a community connecting with God & caring for people. Our hope is that every person (woman) who comes into contact with the family and friends of WIN will have an unforgettable encounter of encouragement as we reflect the power and grace of God in our lives and in our relationships. Relationships do not just happen. They are pursued and produced through love and sincere affections. God has revealed His love to us through His Son, and it is our passion to share that love through genuine care and concern for others.

**We are called to:**

- elevate women as persons of inestimable worth because they have been created and redeemed
- enable women to deepen their faith and experience spiritual growth and renewal

- build networks among women in the church to encourage bonds of friendship and mutual support and the creative exchange of ideas and information
- mentor young women, encouraging their involvement, and creating paths for them as they reach for their potential in Christ
- address the concerns of women in a global context
- bring women's unique perspectives to the issues facing the church
- seek expanding avenues of dynamic Christian service for women
- challenge each woman with her potential to complement the gifts given to other women and men as they work side by side to further the global mission of WORD International Ministries

**WINGS (Women in God's Service ) 2 Cor. 9:11-13** – to be used officially for the Women Ministry in the Middle East, Europe and Mediterranean

***Our Resolutions:***

**As Ladies of Word International Ministries -**

**We resolve to:**

- Reach women, to disciple them and to help bring wholeness and balance to their lives by providing an atmosphere for women to strengthen their gifts and by training them to find their places of ministry, women can successfully touch their world for Christ.
- Act upon what we learn through God's Word. Our knowledge turns into experience, and our dedication turns into usefulness.
- Meet the spiritual, physical, and emotional needs of women at local church level and within our community.

Continued on the next page...

## **WINGS (Women in God's Service ) continued**

- Encourage women to grow in their faith in Christ, to develop and strengthen intimate friendships with other women, and to provide opportunities to serve and reach our community for Christ.
- Help women find their gifts, and then match them to needs in the churches or communities, and empower them to serve others with their talents.

Since then, the ladies in WIN- Ireland have come together in June 2009 and several ladies have been elected to lead WINGS Ireland. Initially, Sis Lillian Acosta was to lead the women but had to step down due to health reasons. Sis Evelyn Valerio has taken up the challenge for the first year and at present Sis MariDez Abalos will take over the reins to lead the women of this church to achieve our resolutions and in turn will give glory and honor to our Lord and Saviour, Jesus Christ, in whose Name we serve.

## **A DAY OF REMEMBERING**

### *Looking Back...*

Exactly a year ago, God has made a way for the birth of the Women's Ministry of WIN-Ireland, the WinGS (*Women in God's Service*). It envisions to be a community for God and caring for people by helping our Women multiply their God-given talents for His Glory.

Exactly a year ago, the ladies of WIN -Ireland welcomed the idea with high spirits as this will address number of issues concerning our women, their relationship to God, family and friends. Truly, it never failed to fulfill its purpose. We know in our hearts, that despite the trials and difficulties we dealt with in our own individual lives, We, as Women in God's Service- were able to share His word and live according to His will through this ministry.

### *Looking Forward...*

#### **Remember His Blessings**

"You will be made rich in every way so that you can be generous on every occasion, and through us your generosity will result in thanksgiving to God. This service that you perform is not only supplying the needs of God's people but is also overflowing in many expressions of thanks to God. Because of the service by which you have proved yourselves, men will praise God for the obedience that accompanies your confession of the gospel of Christ, and for your generosity in sharing with them and with everyone else."

#### **2 Corinthians 9:11-13**

Let us always bear in mind that every women is called to minister. Whether or not you consider yourself a leader, you can impact your struggling friend, co-worker, and other individuals within your circle of influence. Let us be the first responders to the needs of other women- a true service we are all called for.

## **A DAY OF REMEMBERING Continued**

Remember His greatness

Let go and Let God. He equipped us with wisdom and a loving heart. Let us look forward to more opportunities to be of service to Him. His love is so great that he never let us down. He loves each of us as if there were only one of us. Let us not deal with our strength and capacity, rather keeping in mind His power and greatness.

And with all of these, let's all look forward to promising years for the ministry. God gave this to us, let us not defy its purpose. And let it be our prayer to our Father, that He will continue to guide us and bless us in every way.

We Thank You, Father for all of these. Indeed, You are the master weaver of all. To God be the Glory!

Dez Abalos

## **WORD International Ministries 1st Youth Camp**

First off, I would like to say that if I were to perfectly summarise everything that happened in the youth camp and its impact on me, I wouldn't be able to do justice to it. What I can do though is to express my deep gratitude to God and everyone involved by trying my best.

Honestly, I wasn't as enthusiastic as everyone was about the camp, in fact, the day before the camp I was already having the "cold shoulder" deciding whether or not to even go at all. The embarrassing reason for that was at that time the PS3 (in particular Modern Warfare 2), was practically dominating my spring break. It was a struggle but I eventually went.

The first day is a blur now, with only photos to remind me of titbits of what happened. The volley-ball match outside was probably the highlight of the day (even though I didn't play). Pastor Vic's lecture on the difference between God-fearers and believers was very insightful as well.

The second day is, and always will be the most unforgettable experience for me. It was a day filled with fun, tears, and joy. The day started with a great lecture from Kuya Bible, which I know won't be in vain as everyone was inspired by how he came to know the Lord. The "Survivor" challenge was one of the highlights of the camp, if not the main highlight. Covered by the blindfold with only the rope representing my faith and the Bible representing God, it was a life-altering experience that I'm sure no one will soon forget. It was a constant struggle between the temptations (marvelously voiced by Tito Hugh), the Bible snatchers, the turbulence of climbing uphill (shaking the rope didn't help), the intimidating questions of the elders and many other distractions that tried to separate me from God.

The struggle left myself and many others in tears. Tears of repentance and a realization of how weak and insignificant I was, yet he never abandoned me. This uphill battle all led up to the final challenge. An agonising knee-walk through a painfully rocky path. As Pastor Vic's voice told me to keep going on, I realised something that we all should come to realise.

Continued on the next page...

## **WORD International Ministries 1st Youth Camp continued**

With every painstaking knee-step I realised that life isn't a bed of roses and a Christian life is no exception. Temptations and hurt will always seep through our lives, causing frictions in our relationship with God. But He's always there, like the Prodigal Son's father, always ready to welcome us with open arms. As we were all assisted back inside, the silence of reflection and repentance surrounded the whole room. Finally, we were asked to take our blindfolds off after not seeing anything for 5 hours! I could really elaborate more on what happened in that day and the next: the games, the fellowship, the Bonfire, the endless tears while reading our parents' letters and the awardings (Congratulations Benjamin Tribe!), but I believe me I could go on for ages and I still won't do justice to it.

My sincere gratitude to the staff for their hard work and perseverance to cook for, clean for, discipline and watch over us. Last but not the least I would like to thank God for WORD International Ministries 1st Youth Camp: Survivors!

**HAMBURG, Germany**  
**MINISTRY UPDATE:**

JULY 2009 TO END DECEMBER 2009. The highlights of the ministry is as follows

July 2009: 3<sup>rd</sup> year Celebration

Though we are really a small community at this stage it did not hinder us to go for something big for God. We are privilege to invite Bro Ray An Fuentes to minister to us and have a three day event (i.e. 10, 11, & 12 July). A seminar on principles of God's Economics (A timely message because of the recession), a Concert, & the Sunday thanksgiving service respectively. Our goal is to invite other communities of Christian believers as well as unbelievers, which we have received some tough opposition especially from the catholic CFC group which they really did not come to support us.

We sell tickets to cover the expenses for the Concert and because majority of the group did not come we are short of Euro 1000 to cover our expenses. That evening we have prayed ask the Lord to move about our shortage of fund so that we can meet our obligation with the concert expenses. The next day in our Sunday service! There was a love gift offering containing the amount we need... Euro 1000, God is awesome... He is our provider!

August 2009: Stade Outreach First year Anniversary

The outreach we have started in 2008 perseveres to reached is First year anniversary we are also delighted for the timely visit of our senior Pastor Angel Cano & Family from UAE. He gave us the challenging message to continue the work of God in this part of Hamburg. We are holding our fellowship at the Seaman's mission club for the last one year every first week of Saturday.

## November 2009 Pastors & Church Leaders Ireland retreat

After our Dubai conference last April the 2 workers & 2 members of our congregation that joined me in the conference were touched by the presence of God, as well as the hospitality of our UAE brethren. This is the first time they have an actual overseas experience & exposure fellowshiping with other WIN family. That is why when the region plan the Pastor's/ leaders & Wives retreat in Ireland because of the Dubai experienced most of the Members and leaders wives comes to join to be refresh once again this time with our spouses. This had help our Hamburg church to be more open to WIN family in our region. Networking sites like Facebook will show how the connections after the retreat continue.

## December 2009 Christmas family day joint fellowship of Hamburg & Stade brethren.

Before ending & starts the new the year we have once again encourage our respective brethrens from Hamburg & Stade to have a sports family day. In December 2007 we have started to do this indoor because it is relatively cold during winter. We were actually surprised because of the many unexpected visitors that joined us. There are much more people that came this 2009, actually some of those who attended in this family day, one family has started to show interest in going to our church this month of April.

## Our Challenge last year 2009:

### Church:

1. To look for a new place to hold our Sunday service. Apart from the place we are situated are not strategic for growth, our monthly rent has increased to Euro 100/ per meeting.
2. Continues growth, harmony & unity in the church. Some families left the church because of relational matters.

They are now attending in our church. They also open their home to prayer meeting last Saturday and hopefully start soon bible study (New Believers class)

**NEW!!!Ministering to the Seaman's! (Our Kababayan)**

Since Hamburg is Hub for ship's a quite number of our Filipino seamen are staying for days before their ship go again or at times they wait for their next assignment. We have started a ministry of the word by preaching every Sunday morning at 10am to the seamen that are checked in the Seaman's Hotel.

Thanksgiving & Answered prayer this 1<sup>st</sup> quarter:

1. We have moved to a new location last February. By Gods grace the place is free of charge! In the small chapel of Seaman's Hotel in Hamburg. We have some limitations though but it is manageable. Praise the Lord!
2. A family has been added to the church after the Easter April retreat!
3. I got my driving license last November & this April the car was provided by the Lord.(The German husband of one of our attendee in the church had given me his car.) Praise The Lord!

Prayer concern 2<sup>nd</sup> quarter 2010:

Church:

1. Hamburg Summer Church Evangelization – June  
July August
  - a. Boldness of our members to share the word
  - b. Openness of the heart of the unbelievers
2. Due to personal disputes in our brethren in our outreach in Stade, we have to cancel our meeting indefinitely starting 1st May.
  - a. Pray for a heart of forgiveness in the our member and reconciliation
  - b. That gossiping will stop, most of our attendees here are women's .
  - c. God to open a new venue for worship meetings.
  - d. God gives me wisdom in this time.

Thank you!! please continually pray for us! Bro Joel Ciprez & Family(Vangie & Ella)

## **Missions and Outreach**

First of all , we would like to thank everyone who supported our first ever missions lunch, especially the WINGS ministry. And , for all those who participated , a very big thank you . The Missions' Lunch was a success . We were able to raise four hundred and seven euros forty three cents for our European pastors and missionaries .This was very much appreciated.

Our next lunch will be on Sunday the fourth of July. This time, after the feedback we received, we will do things a little different. We will be asking for a minimum donation of five euro for each set lunch. Please continue to support this quarterly ministry by giving all you can. Every little helps. Please also continue to pray for our pastors and missionaries in need throughout the world. Include all Christians under persecution, especially pastor Philip Thang with the orphanage in Myanmar, and our pastor in Jedah Saudi Arabia. Pray the Lord will protect them, supply their every need and give them the grace they need for each day. Thanks once again for your generosity, God bless you all real good!!!.

As the weather is beginning to improve we will soon be out on the streets giving tracts and sharing the good news of Jesus. This is a very needful ministry and we are looking for volunteers to join us. The harvest is plentiful but the workers are few. Please pray for this ministry, and if you can join us, for details or if you are free any time and are interested just let me know and we can try to arrange to go out .
