“STRENGTHENING
OUR GRIP...”

□ “...holding fast the word of life, so that I may rejoice
in the day of Christ that I have not run in vain or
labored in vain.”

□ — Philippians 2:16

Welcome to the 4th issue of Reaching Out and the 1st in 2011.

But those who hope in the LORD will renew their strength. They will soar on wings like eagles; they will run and not grow weary, they will walk and not be faint. - Isaiah 40:31

I've been asked by Bro Samuel to write this issue's Editorial with anticipation of what 2011 will bring to all of us. This will be the first quarterly Issue of 2011 and the first issue where we have been blessed by the Lord of having a new Senior Pastor in the person of Manny De Leon. 2010 ended with our former Senior Pastor Victor Lopez and family leaving us to pastor the WIN church in Silicon Valley. The church body had mixed feelings about their departure but we all knew well that as we dwell in the presence of our Lord and according to Hebrews 13:5, our Lord will not leave us nor forsake us, never! Even if our Pastor left our Ireland church, Our Lord God will not ever leave us – so our lives went on towards 2011.

The church leadership planning last December brought about new larger and better plans for the New Year. Not only did we fill up all the months of the calendar with ministry events from camps, joint bible studies to seminars but we also emphasized the continuous equipping and education of the brethren – all leaning towards to goal to fulfil our Lord's Great Commission. The pastoral team also stressed the need for the church to be a more prayerful church. We are faced with worsening economic conditions brought about by the IMF Bail-Out; our brethren are facing even bigger challenges in 2011. Prayer will be the core ministry that will bind us all in everything we do and in everything we plan for the future. According to Psalm 50:15, "Call upon me in the day of trouble; I will deliver thee, and thou shalt glorify me.

I chose the verse in Isaiah 40:31 as fitting editorial to start of the year as it reminds us all from the leaders to the workers of the church how we need to be encouraged that we are capable to do more extraordinary things as we commit our lives to our Lord. As we continue to develop our new church building, establishing our Men's Ministry, extending our Monaghan Services to twice a month and holding more equipping classes than ever before, we are rising up new leaders and opening new doors of opportunity for us to allow more brethren to heed the call to service. We will also re-launch our new website in the 1st Quarter which will become a larger vessel of the WORD to the vastness of cyberspace. We are truly heading the way in Europe in 2011.

With our New Senior Pastor Manny De Leon and his Family moving to Ireland only in July, our leaders and pastoral staff are faced with even bigger challenges to lead the church. With the guidance of the Holy Spirit, our leaders have alternately delivered the Sunday Word during the Worship Services while pastors from our WIN Europe churches have been visiting us to deliver the message twice a month. Like young eagles we are given the opportunity by our Father to leave our comfort zones and spread our wings and soar to new heights. We are truly eagles in the ministry!

I would like to take this opportunity to invite everyone who would like to share your experiences and blessings from the Lord to submit articles and pictures for our Reaching Out Newsletter in 2011. There will be more uplifting and life changing stories to come that will encourage us. Let us continue to pray that our Lord will continue to be with us and that His presence to continually guide us in all our plans.

“Strengthening our GRIP...”

“14Do all things without grumbling or questioning,
15that you may be blameless and innocent, children of God without blemish in the midst of a crooked and twisted generation, among whom you shine as lights in the world, **16**holding fast to the word of life, so that in the day of Christ I may be proud that I did not run in vain or labour in vain.” – Philippians 2:14-16 (ESV)

Jim Wallis writes in *The Call to Conversion* (HarperCollins, 1992, p. 108) his testimony: "When I was a university student, I was unsuccessfully evangelized by almost every Christian group on campus. My basic response to their preaching was, "How can I believe when I look at the way the church lives?" They answered, "Don't look at the church, look at Jesus." I now believe that statement is one of the saddest in the history of the church. ...People should be able to look at the way we live and begin to understand what the gospel is about. Our lives must tell them who Jesus is and what he cares about." - (SermonCentral.com)

Sadly, today, people are still asking the same question that Jim Wallis set forth. People are continually becoming more non-responsive as they witness things happening in churches. Worse, some even are leaving their churches as they experience discouragement in a place they expected to be a haven of love and grace. Therefore, our respond to this growing challenge would determine the effectiveness of our efforts to reach out to people inside and outside the church.

Let us take our encouragement from God's Word through apostle Paul to the Philippians (Philippians 2:14-16). On these verses, Paul reminded the believers in

Continued on the next page...

“Strengthening our GRIP...” continued

Philippi of the importance of their testimony. “The purpose of the command in v. 14 is that the Philippians might be blameless light bearers ‘in a world full of crooked and perverse people’ (New Living Translation). They should deserve no censure because they are free from fault or defect in relation to the outside world. If the Philippian believers were going to have a testimony in their community, they had to be blameless in their actions and attitudes, both inside and outside the church.” (NKJV Study Bible). They would be light bearers by their example and testimony to the world.

And how will this be possible? By “holding fast to the word of life”. By holding fast to the truth of the gospel message. “To hold fast” in the Greek can mean to “hold fast or firmly” or “to hold out, offer.” Two meanings complement each other to read that as they “hold firmly to the gospel truth, they will hold it out,” – that is to portray the word of life in the world around them (Tydale NT Commentary on Philippians). This reminds us of the power of the Word of God in transforming lives. This is the very reason why God’s Word should continually be central in the worship and ministry of the church.

This is the very focus of our church this year (WIN Ireland 2011 Theme – “Strengthening Our Grip”). A theme which is set forth in the following objectives for the church:

1. Growing relationship with God
2. Re-affirmed love for God’s community
3. Intentional discipleship into radiant lives, and
4. Passionate evangelism

“Strengthening our GRIP...” continued

We believe that as we hold fast to this word of life (God’s Word), the result would be a greater intimacy with God. We pray that this nearness of God’s presence will lead to changed and radiant lives and stronger bond in our church community that can affect greatly the effectiveness of our evangelism.

People still need to hear God’s Word, yet still, the Word that is manifested in our lives. As someone had said, “Jesus is the Word who became flesh, may His Word becomes flesh in our lives.” May this be our prayer and desire this year!

God bless us all.

Pastor Manny De Leon

A CALL FOR HELP

The long winter seems to at an end at last, with the weather slowly improving, my mind turns to the streets and tract distribution, we hope to get out once a week to share God’s love to the people of this city, to invite people to our church and to introduce people to our Lord and Saviour. If you are willing to help in this ministry please contact me (Hugh), or Deann, we will also post the days we are going out (weather permitting) on the notice board. Please join us, Jesus said “The harvest is plentiful but the workers are few”, I am asking the Lord of the harvest to send workers, and I am asking YOU to be those workers, there is a mighty harvest ready to be reaped, let us be part of God’s work here in Ireland. God bless you all real good.

SOMETHING GOOD IS GOING TO HAPPEN.

As the Word International Ministries missions representative here Ireland I am very excited with what the LORD is going to accomplish through us, through our church and through the other churches in the European region. This year we have adopted a new strategy for missions, a new slogan for missions, and a new tagline for missions in 2011. We are encouraging every adult member to give a least two euro per week to support missions. Two Euro doesn't seem very much, (it will barely get you a cup coffee), but if we all faithfully give, all the two Euros together will soon add up. We will be focusing on one project at a time, beginning with a project to build a church/school in Cadiz, which is in Negros, Visayas. We hope to finish this project before the new school term begins in June. Jesus said "Let the little children come to me, and do not hinder them", through this project we hope to do just that, the kids will be given a good Christian education in the school, and the church will be a place to meet the spiritual needs, not only of the children, but also of the wider community. Our new missions slogan of BUILDING THE BODY Has a double meaning: expanding God's kingdom and building the church in all aspects. Our new missions tagline for 2011 BEARING THE BURDEN this tagline emphasises, that we are one body and one family and as such we should be looking after one another's needs. Please continue to support our brothers and sisters, and our missionaries and pastors that are less fortunate than ourselves. Both financially and especially in prayer.

ChurchTRACK

LAST February, The Relationship Department conducted 3 consecutive Sundays (including one Sunday from Monaghan) to conduct its yearly Member's Census. What's different with this year's activity is that the creation and updates of church members' information is done straight into the church membership database called "ChurchTRACK". During previous years, the church had to issue paper membership datasheets which needs to be filled up by every member and submitted after several weeks. Problems arose when members didn't return the forms and the records are not electronically maintained. When ministries require some information - member's data are not accurate and no reports are generated.

ChurchTRACK was obtained over a year ago by WIN Ireland to maintain electronic records our members information in order to keep records available all the time and up to date for ministerial use. According to Bro Ian Ramirez, "the ChurchTRACK system is a very simple, affordable, secure and efficient membership database system that will be very helpful to WIN Ireland in keeping members records accurate and ministerial activities available on demand". Its truly a very helpful tool to provide Ministries across the church information as to what members' data, given certain age groups, care groups the ministries they are involved in.

Other than being membership database system, ChurchTRAK also providesthe following features:

1. Generating Reports which can be configured and downloaded
2. Sending Welcome Letters direct from the System
3. Calendar and Scheduling

4. Attendance Tracking for Sunday Services and other Church Events
5. Accounting and Budgeting Systems
6. Contributions and Tithe Recording
7. Data Sharing among selected members/ church leaders

Next time we greet members' who are celebrating birthdays or anniversaries, we will not make a mistake. When members' information is available, correct and up to date in ChurchTRACK, everyone will be tracked properly and no birthdays or anniversaries will be missed.

The 10 Commandments in Today's World (from the Book of Exodus 20) from Pastor Stefan Tiran's Sunday WORD 6 March, 2011, Chapelizod Dublin Church WIN Ireland

Reflection Contributed: Ian Ramirez

We have learned a different perspective of God's Word from the Old Testament and that it very well applies on how we live today in the Post Modern World. Pastor Stefan Tiran exhorted on the book of Exodus (on the first 4 of the 10 Commandments) when the Israelites left Egypt and when Moses received the 10 Commandments.

1. Why did God save Israel from Egypt? According to Exodus 3:18 and 12:31, we are to worship God.

2. How are we to worship God? God wants a holy people more than formalities or liturgies of worship that we currently do today. Worship starts with obedience. We should all live a life in accordance with the way the Lord wants us to live.

1st Commandment: We must not have any other God but me. Yahweh requires exclusive allegiance. The Lord took the initiative to give us the commandments. He too the first step. God saved us first before he gave the Commandments. Nothing we would have done to merit this. There wouldbe no church if God did not take the first move to save us.

But what is freedom?

- something that is received as a gift.
 - something to be maintained, but
- Yet freedom is something we can lose...

Commandments are given us to keep us from slavery. These are moral boundaries of our behaviour within God's freedom can be enjoyed. Freedom in the Bible is freedom to obey God.

What is the problem in the world today? The problem today is not atheism but indifference. People have this attitude that for them it does not matter if they believe God because in comparison with Christians we are living the same life???

Christianity is a task. We must worship God in everything that we are and everything that we have. Deut 6:4-5

2nd Commandment : You must not make yourself an Idol.

Why did God prohibits idols? The only acceptable image of God is Humanity. An Idol is anything that takes the rightful place of God in our lives. God must be our security in life. An idol is anything that detracts us from being loyal to God. As God is a loyal God, we must be loyal to Him. As God is a faithful God, we must be faithful to Him.

3rd Commandment: We must not misuse the name of Yahweh

- God wants to have an intimate relationship with us. It's a privilege to know God's name. See Psalm 20
- The name of God brings blessing. By reducing the name of God to a "genie in a bottle". It's like making God answer to all our whims. He will not answer for we have the misplaced motives of using His name. Another misuse of God's name is using the name of God to manipulate people - to get something for our own personal motives. We should be careful on what we teach others or someday we will be held accountable to it. As Christians, we carry the name of God everywhere we go. If we misbehave we bring God's name in disrepute.

The 4th Commandment: Remember to observe Sabbath Day by keeping it Holy.

Sabbath in Hebrew means to STOP!

Continued on the next page...

The 10 Commandments in Today's World continued...

Reasons for this commandment:

1. God himself stopped working on the 7th day. We should not be workaholic - God doesn't want us to work without rest. Going to Church on a Sunday is an expression of faith. We need to rest. We need our body to regenerate or we will become sick.

2. It's our covenant with God- Ex 31:12-17

3. Gift of Redemption - Deut 5:15- Remember the slavery in Egypt. We must Rest in the presence of God.

What does it mean to us? In the modern era, we now have monthly salaries compared to daily wages that Old Testament labourers receive. If Israelites stop work for one day they would not have wage for that day. So its an act of faith that work they have rendered during the 6 days would have given them enough wages to feed their families even on a Sabbath.

According to Exodus 19:3-6 We are Gods special treasure. God's kingdom of priest and a holy nation.

In conclusion: Above all we must worshipping God and live a life of obedience and dedication to Him and only Him.

Praise the LORD

Our outreach in Carrickmacross has started services twice a month. Please continue to pray that God will bless this ministry and more people will be drawn the Him through their witness. Also pray for wisdom, strength and God's grace for our brethren in Carrick, and especially for pastor Marlon and brother JoJo as they oversee the work there.

A revelation with an Incredibly Big Message (IBM)

Well, you might have thought that you knew how the Internet started, but here's the true story...

In ancient Israel, it came to pass that a trader by the name of Abraham Com did take unto himself a young wife by the name of Dot.

And Dot Com was a comely woman, broad of shoulder and long of leg. Indeed, she was often called Amazon Dot Com.

And she said unto Abraham, her husband: "Why dost thou travel so far from town to town with thy goods when thou canst trade without ever leaving thy tent?"

And Abraham did look at her as though she were several saddle bags short of a camel load, but simply said: "How, dear?"

And Dot replied: "I will place drums in all the towns and drums in between to send messages saying what you have for sale, and they will reply telling you who hath the best price.

"The sale can be made on the drums and delivery made by Uriah's Pony Stable (UPS)."

Abraham thought long and decided he would let Dot have her way with the drums. And the drums rang out and were an immediate success. Abraham sold all the goods he had at the top price, without ever having to move from his tent.

To prevent neighbouring countries from overhearing what the drums were saying, Dot devised a system that only she and the drummers knew.

It was called Must
Send Drum Over Sound

(MSDOS), and she also developed a language to transmit ideas and pictures – Hebrew To The People (HTTP).

But this success did arouse envy. A man named Maccabia did secrete himself inside Abraham's drum and began to siphon off some of Abraham's business. But he was soon discovered, arrested and prosecuted – for insider trading.

And the young men did take to Dot Com's trading as doth the greedy horsefly take to camel dung.

They were called Nomadic Ecclesiastical Rich Dominican Sybarites, or NERDS.

And lo, the land was so feverish with joy at the new riches and the deafening sound of drums that no one noticed that the real riches were going to that enterprising drum dealer, Brother William of Gates, who bought off every drum maker in the land.

And indeed did insist on drums to be made that would work only with Brother Gates' drumheads and drumsticks.

And Dot did say: "Oh, Abraham, what we have started is being taken over by others?"

And Abraham looked out over the Bay of Ezekiel, or eBay as it came to be known. He said: "We need a name that reflects what we are."

And Dot replied: "Young Ambitious Hebrew Owner Operators."

"YAHOO," said Abraham. And because it was Dot's idea, they named it YAHOO Dot Com.

Abraham's cousin, Joshua, being the young Gregarious Energetic Educated Kid (GEEK) that he was, soon started using Dot's drums to locate things around the countryside.

It soon became known as God's Own Official Guide to Locating Everything (GOOGLE)

And that is how it all began.

Easter biscuits

Instead of giving friends and family Easter eggs this year, show them how much you care by baking delicious Easter biscuits. You can make these crumbly, buttery biscuits extra special by substituting the traditional currants with juicy blueberries just bursting with flavour.

Not only are they incredibly moreish but they are also so simple to make, especially if you use Loseley Summer Meadow Butter. This delicious Loseley butter is full of natural goodness and spreads straight from the fridge so it's ideal to use in baking. Why not bake an extra batch of these sweet treats and indulge yourself too!

EASTER BISCUITS WITH LOSELEY BUTTER

Makes 24-26 biscuits

- 175g (6oz) plain flour
- 1tsp mixed spice
- 110g (4oz) Loseley Summer Meadow Butter
- 110g (4oz) caster sugar, plus extra for sprinkling
- Grated rind of a lemon
- 75g (3oz) wild blueberries
- 1 beaten egg

Sift the flour and spice into a large bowl. Add slivers of Loseley Summer Meadow Butter and then rub it in with your fingertips. Stir in the sugar, lemon rind and blueberries and then add the egg and mix to a firm dough.

Knead the dough briefly on a lightly floured surface and shape into a sausage about 20cm (8in) long and about 5cm (2in) wide. Wrap in cling film and chill in the fridge for an hour or in the freezer for half an hour.

Preheat the oven to 180°C/350°F/gas mark 4 and lightly grease a large baking sheet. Unwrap the chilled dough and cut into 5mm (¼in) thick slices.

Put them on the baking sheet, spaced a little apart.

Bake the biscuits for 15-18 minutes until they are pale golden in colour. Cool on the baking sheet for a few minutes, sprinkle with a little caster sugar and then transfer the biscuits to a wire rack to cool.

Cook's tips

The wild blueberries in this recipe are semi-dried and they are available in the supermarkets along with other dried fruits.

Use currants or add orange rind if you like.

For a more fancy biscuit, roll out the dough and cut with a shaped cutter.

Loseley Summer Meadow Butter is packed in a 250g tub.

Loseley Chilled Foods are available from the chilled cabinet of local independent grocers, Morrisons, Waitrose and Iceland.

God can call anyone to serve Him!

Hello friends,

The Irsaelites were God's chosen people – but they had chosen to worship idols instead.

This upset God, so he asked Gideon to help bring the Israelites back to him.

Gideon didn't think that he was the man for the job! He asked God for some signs that to prove that he was. These including laying out a fleece – that's what us sheep wear and keeps us warm. You use it for wooly jumpers.

Through a series of tests that you can read about in Judges 6, Gideon realised that God could work through him to bring the Israelites back to God.

What can God do through you? Ask him and find out!

Judges 6:36-37 (The Message)

Gideon asked for God to repeat this test – but with the dew falling on the ground and the fleece staying dry. God answered Gideon's prayer

Dear God, thank you that you call us to bring others back to you. Please let me work for you. Amen
